Artfully Decorated Boxes is the latest fundraising campaign of the GFWC North Valley Women's Club. The uniquely decorated gift boxes will be available for purchase at several venues over the coming months. The first of which is the "Classical Meets Jazz" concert presented by the Arts Council of the North Valley, on Tuesday, September 1st at Fellowship Church. Lobby doors open at 6:00 p.m.

Dee Wright, President of the GFWC North Valley Women's Club, said, "The boxes, decorated in styles and themes ranging from contemporary to romantic are great for gifts as they can be used to hold jewelry, notions or just to enhance your décor ... there's even one for your pet's treats."

The proceeds will go to support many of the GFWC North Valley Women's Club charities and projects, such as...the Foothills Food Bank, Salvation Army, Sojourner Center and Phoenix Inner City Kids.
