Team GFWC raised over \$9,000.00 for the American Cancer Society at the Relay for Life recently held in Anthem. The team comprised entirely of members of the GFWC North Valley Women's Club was one of over thirty teams that participated in the overnight event. Overall the event raised in excess of \$70,000.00.

Candace Kelling-Salzler, president of the club said, "I'm overwhelmed by the response from the community. We far exceeded our team goal of raising \$5,000.00 and I can't wait to see what we will achieve next year!"

The GFWC North Valley Women's Club is a chapter of the General Federation of Women's Clubs, an international women's organization dedicated to community improvement by enhancing the lives of others through volunteer service.

The local chapter meets at 6:30pm, the first Tuesday of every month at the North Valley Regional Library. For more information please visit their website at www.gfwcnorthvalley.org.
